

Dear Roger,

10/2/92

Once again your MCI letter took four days. Costs you to be inefficient!

I've read your 9/28 and won't argue.

There are many things that went wrong but they have no other real meaning.

They just went wrong.

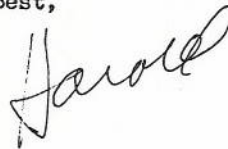

What you seem to be aiming at makes no sense to me.

Do your things.

But be careful and don't get carried away.

and be prepared for getting nowhere.

Best,
